

IHEEM2025

INNOVATION IN HEALTHCARE
CONFERENCE & EXHIBITION

UTTOXETER RACECOURSE, STAFFORDSHIRE

WEDNESDAY 9th April

Hosted by

IHEEM East Midlands Branch

What the event is

This event is centring on how to improve energy infrastructure and what are the latest innovations in the healthcare sector, offering a networking and solution-sharing environment. With a captive audience of local and national NHS trusts and their providers, exhibitors and delegates alike can also benefit from business growth opportunities, as well as CPD and knowledge sharing across the latest advancements in technology and innovation.
